LINCOLN KIRSTEIN, Director

Mrs. Alicia Alonso
602 West 137th St.
New York City

Dear Alicia:

I wanted to tell you how beautifully I thought you danced in Swan Lake the other evening. I felt very proud that we once worked together, and I hope very much that some day we will work together again. I think you looked like a real ballerina, and I am sure that all your hard work will be rewarded.

Please remember me kindly to
Fernando.

Yours very sincerely
